PRESS RELEASE

Orlando – 1 November 2016

POLARIS AVIATION SOLUTIONS JOINS THE VIP FLIGHT SERVICE PROGRAM ONEABOVE BY COMLUX

Fly Comlux is pleased to announce the signature of its first VIP flight service contract OneAbove by Comlux with Polaris Aviation Solutions for the sale of VIP flights on its Gulfstream G550 and Boeing BBJ based in New York, USA.

Similar to Fly Comlux, the VIP operator of the Comlux Group, Polaris Aviation Solutions with headquarters in Atlanta, GA USA, is a worldwide executive aircraft management company. Polaris operates today a fleet of five VIP aircraft based in the USA and has selected the Program OneAbove by Comlux to sell and organize VIP flights for third party customers.

The G550 can seat up to 16 passengers in a very comfortable arrangement including a dual club seating area, a dining table for 4 and a private compartment with 2 three-seat divans that can be turned into twin beds for overnight flights. With a range performance of 6500 nm, the VIP passengers can reach any place from US East coast to Europe, Russia or the Middle-East non-stop.

The BBJ is projected to be available for charter early 2017. It features a luxurious and modern cabin interior in light gray and white colors. The cabin is composed of a forward lounge with club-4 seating, club-2 seating and a spacious angled sofa, a large conference/dining room and 2 bedrooms at the rear (Master and Guest), each of them has its own bathroom with shower. With its intercontinental range, the passengers can fully benefit from WIFI internet access during long-haul flights, as well as ultra-large IFE screens.

Scott Mayer, COO Polaris Aviation Solutions says: *“Comlux has a profound understanding of the critical business drivers and strategic opportunities across markets globally. With a strong brand, deeply experienced management team, and exceptional culture and values, we could not have selected a better partner. The Polaris team is eager to start collaborating with OneAbove to further capitalize on our leading position in the industry, and continue growing to the benefit of our clients, partners, and team members.”*

Andrea Zanetto, CEO Fly Comlux says *“I am extremely pleased with this first contract with Polaris. With this partnership, we commit to offer to our customers two new high quality aircraft based in the US, with the highest level of service on board and at competitive prices. Thanks to the new OneAbove program, our common goal is to position ourselves One step Above our competitors.”* He adds *“We are planning to further develop our VIP flight service offer around the world. This is just the beginning!”*

Comlux is one of the leaders in business aviation, operating worldwide with the highest standards of safety and quality. In addition to its dedicated VIP flight service program OneAbove by comlux, Comlux offers a comprehensive set of services to VIP customers who wish to have their own aircraft managed personally and professionally. This includes exclusive aircraft management, sales and acquisitions, VIP cabin design and completions as well as aircraft maintenance and engineering services.
