COMLUX PRESS RELEASE

Zurich, 15 March 2022

COMLUX EXPANDS AFTER-SALES SERVICES WITH THE LAUNCH OF COMLUX TECH

Comlux is pleased to announce the launch of a new cross-functional organization within the Group, Comlux Tech. The entity will offer to its customers a wide range of “à la carte” after-sales services complementing the core activities of the divisions of the Group – Aviation, Completion, and Transaction.

The services proposed by Comlux Tech are deployed into 4 main activities:

- Technical Services, from avionics & cabin upgrades to line & base maintenance including an AOG recovery team
- Operational Services including sourcing of fuel, ground handling & hangarage to sub-charter management, and warranty administration insurance handling
- Consulting Services from aircraft selection & appraisals to pre-purchase inspections & entry into service support
- Crew Services including sourcing and training of flight crew, cabin crew, and flight support engineers

The launch of Comlux Tech is aligned with the latest key programs in development within the Group: the all-new ACJTwoTwenty which will enter in service in early 2023 with Comlux Aviation and will be provided with technical support in service by the Comlux Tech organization; the launch of the construction of a brand-new maintenance and refurbishment hangar at Mohammed Bin Rashid Aerospace Hub, Dubai World Central (OMDW/DWC) airport will serve Comlux Tech customers in the Middle East, from the end of 2023.

Richard Gaona, Executive Chairman & CEO of the Comlux Group said, *“With the launch of Comlux Tech, the Group is now providing the Complete Luxury Aviation Service to our customers around the world. Our goal is to develop further the synergies between Comlux Aviation operations, Comlux Transaction expertise and Comlux Completion know-how in VIP cabin engineering and craftsmanship, and to make available our experience to our ACJ and BBJ. I am supporting in full Andrea Zanetto, COO of Comlux, who shall implement and lead the Comlux Tech organization within our Group.”*

Comlux Completion, based in Indianapolis, IN is an approved ACJ and BBJ cabin outfitter, an ACJ Service Center, a BBJ Warranty and Repair facility and the exclusive completion center of the first 15 ACJTwoTwenty cabins.

Comlux Aviation manages & operates a fleet of 20 VIP aircraft, including 10 Airbus and Boeing jets. Comlux operates commercially under 3 commercial AOC (Malta, 9H, Aruba P4 and Kazakhstan UP) and at the highest IS-BAO stage 3 standards of the industry.
